### WOMAN'S RELIEF CORPS.

Women will take a prominent part in the 49th annual encampment of the Grand Army of the Republic, which will be held in Washington, September 27th to October 2nd.

Four organizations of women allied with the Grand Army of the Republic will participate in the encampment. These are the Woman's Relief Corps, the Auxiliary to the Sons of Veterans, the Ladies of the G. A. R. and the Daughters of Veterans. Many thousands of members of these organizations will be in Washington during the encampment and the Grand Review, which is to be held on October 3rd.

Of the organizations of women connected with the Grand Army, the largest and most important is the Woman's Relief Corps. The Woman's Relief Corps is auxiliary to the Grand Army of the Republic and its only auxiliary. The Ladies of the G. A. R. and the Daughters of Veterans are independent bodies, auxiliary to no organization.

The Woman's Relief Corps is the largest organization of women in the world under one name, and has one motto. It now numbers 167,000, with department organizations in 41 states, divided among 2,861 organizations.

The local organizations are known. Besides these there are 27 detached corps, which thrive in 10 Southern and two Western states, but there are no department organizations.

The Woman's Relief Corps is the greatest philanthropic, charitable and patriotic organization of women in the world. It was organized at Denver, Col., in 1882 in response to the call of the veterans for the organization of women that would be auxiliary to them and which would meet with them at national encampments, and assist them in the tremendous work which was becoming burdensome to the Grand Army, that of helping to care for the aged veterans and their dependent widows and children. Pensions were very small at that time, and the hardships of war were beginning to tell on the veterans who suffered from wounds and disabilities incurred in the service of the country.

Since its organization the Woman's Relief Corps has expended in charitable and relief work for veterans nearly \$4,000,000. It built and equipped an army nurses home in Ohio, where army nurses of the Civil War could be cared for. It has been instrumental in founding state homes in all the Northern states where veterans and their wives may go together and spend their declining years in comfort. It instituted a patriotic curriculum in its regular business meetings in the schools of the country, a work which has been taken up by many other patriotic organizations since then. There are now more than 2,000 women whose work as "Patriotic Instructors" in corps and departments of the Woman's Relief Corps is commanding attention.

### MOOSE.

There is some talk among the officials of Norwich, Connecticut lodge, No. 950, L. O. O. M., of securing a large class of candidates for the fall season. This fall, but so far nothing of a very definite nature has been accomplished. The lodge members held their regular business meeting in the Moose Home on Laurel Hill, on Friday evening with a good sized attendance.

National Director N. Waldo Kennedy of the Royal Order of Moose formerly of Norwich, said goodbye to the Moose of Maine a few days ago at a meeting of Dringo lodge, at Portland, a lodge which he brought into being and gave it a membership of 800 during his eight months' stay in that city. It was chiefly through his efforts that that fraternal organization established itself in Maine, and during his stay there he has made hosts of friends.

### OWLS.

The members of Norwich Nest of Owl No. 1385, which is favored by a visit from George S. Howland of New London lodge, at their meeting in the city on Tuesday evening. Mr. Howland has only recently returned from a trip out west where he had the second degree conferred upon him, and he spoke very highly of the supreme lodge and also of the second degree work. Mr. Howland, as far as known, is the only Owl in eastern Connecticut. Routine matters were transacted at the meeting of the nest, which was well attended.

### FORESTERS.

Connecticut Foresters are this week attending the supreme convention at San Francisco. The supreme convention opened Aug. 22 and will conclude on the 28th. Thursday was Foresters of America Day at the exposition. The return trip will be made by the way of Portland, Vancouver, and the Canadian Pacific railway. Minneapolis will be reached Saturday, Sept. 4, early in the afternoon and Chicago the same evening. Stop-overs will be made at points of interest.

The committee in charge from Connecticut is composed of M. Cole Kennedy, John J. Mack, John M. Craig and John F. Cosgrove, all of Hartford.

### WOMAN'S RELIEF CORPS.

The president, Mrs. Grace H. Manning, presided at the regular meeting of Sedgewick Woman's Relief Corps, No. 10, at 8 o'clock Friday afternoon in the Buckingham Memorial. National General Orders No. 4 and No. 13 were read by the secretary, Mrs. Lillian Brewster. After the invocation, Mrs. Grace H. Manning read an inspiring selection on the good of the order. After routine business adjournment was taken.

### GRAND ARMY.

Many of the veterans of the war which threatened the nation in 1861-1865 will answer the roll call for the last time when the Grand Army of the Republic gathers in Washington for the forty-ninth annual encampment and fiftieth anniversary of the Grand Review, September 27-October 2. Most of the men are seventy years of age and they are fast passing of life's stage. Undoubtedly it will be the last time.

### ALL GROCERS.

If you want clean hands—use

### great reunion of Civil war veterans.

and as such every effort is being made by officers of the G. A. R., the citizens' committee of Washington, the president of the United States and high officials of the war and navy departments, to make it an event which will live in memory until the last veteran responds to the final summons.

Fifty years ago the proud veterans of Grant and Sherman's mighty armies marched in review before President Johnson. On September 23, those of that vast legion who still live will commemorate the event and pay homage to their absent comrades by passing for the last time before the nation's chief.

### HEPTASOPHS.

A communication has been received by Secretary R. D. Johnson of the supreme convocation dealing with the admittance of women to the convocations or if the members are opposed to this, allowing them organize convocations of their own.

Norwich convocation held its regular meeting last Monday night. In addition to the regular business the auditing committee made their semi-annual report, which showed the convocation to be in good condition, the general fund having increased during the first half of the year. A delegate and alternate were elected to represent Norwich convocation at the national encampment in September to elect a district deputy supreme archon and alternate. Norwich will have the alternate for the past two years, but an effort will be made this year to have a local member as district deputy.

Secretary J. F. Cochrane was chosen as delegate and John B. Benoit as alternate to the convention. It is not yet decided whether the meeting will be held, but it is likely to be in New Haven, as it was held here at the last convention two years ago.

### ODD FELLOWS.

Lucas lodge, No. 11, is preparing a large class of candidates for next month. The meeting Monday evening was largely attended with a discussion of the subject of interesting members of the lodge to attend the meetings. A committee of three was appointed to devise ways and means with this end in view. Those on the committee are P. G. F. M. Green, P. G. Herbert Willey and V. G. William H. Ortmann.

Palmyra encampment, No. 3, held their regular business meeting in Odd Fellows hall, with a good sized attendance. Only matters of routine interest were discussed.

### ROYAL ARCANUM.

At the business meeting of Thames council, No. 1851, in Foresters' hall, on Wednesday evening, Regent John Leitch was appointed delegate to the Regents' convention in New Haven, Conn., to be held on September 23-24. There was a good sized attendance and interest was shown in the business transacted. Regent John MacDougall has been appointed a delegate to the Regents' convention in New Haven from Norwich. The council held its regular meeting in Buckingham Memorial on Tuesday evening.

### LADIES' AUXILIARY.

The Ladies' auxiliary, A. O. H., of New London county, will have a meeting Sunday at the drawbridge. It will be a basket picnic and all the members of the auxiliary are invited. A large crowd is expected from each division in the county and the train leaves for the drawbridge at 8 o'clock. Those who go by railway will get off at the Fort Point road.

### UNITED WORKMEN.

The monthly meeting of the Grand Lodge Finance committee was held at the Grand Lodge office, on Wednesday afternoon. Reports, indicative of prosperity throughout the Connecticut lodge, were handed in, and an increase in business over the same month last year noted. In the evening the regular Grand Lodge Executive committee met, and discussed the matters previously considered at the finance committee meeting. Nothing of particular interest occurred.

### GRANGE.

At the meeting of Norwich Grange, No. 172, Patrons of Husbandry, two weeks ago, it was voted to omit the subject of the grange this week because of the weather. The meeting on the evening was given over to the perfection of the work of the degree team. E. C. Jewett, who was authorized to appoint a committee to look after the arrangements for the grange picnic at the fair, reported the following: A. W. Lillibridge, E. Branch, Charles A. Hagberg, S. Whipple and P. Bromley. Inasmuch as the grange has nearly doubled its membership during the past year by adding some of the best farmers in Lisbon, Preston, Berlin and Norwich, which said Mr. Jewett Friday night, the grange promises an extra good exhibit out at the fair. The prize money on the fair has been awarded to the grange. The fair has been a success and the grange has been a success. The fair has been a success and the grange has been a success.

### NO PRELIMINARY EXAMINATION.

People Cannot Inspect C. O. D. Parcels Before Delivery.

Post offices have received an order from the department of the interior, which it is stated that no examination will be permitted by addressees of C. O. D. parcels received by parcel post, even though the sender of the same expressly state that they will permit such examination. The order is as follows:

"The examination of C. O. D. parcels before delivery is prohibited. Some postmasters comply with requests of senders or addressees or with notices issued by the express companies to transport parcels. Such parcels are not to be examined. The examination of C. O. D. parcels before delivery is prohibited. Some postmasters comply with requests of senders or addressees or with notices issued by the express companies to transport parcels. Such parcels are not to be examined."

The cool weather of the last day or two has had its effect on the summer guests in the shore places, who have been deluded into thinking that the hot weather is about over, and are leaving for their homes daily.

## BROADWAY BURGLARS SCARED OFF

The New Norwich Police Force Started Its Career Illustrously Fifty Years Ago—New Building Planned For West Chelsea School District—Record of a Canadian Substitute During War—Camp Meeting Opened.

The first step towards the erection of a new school building for the West Chelsea School District was taken in Norwich fifty years ago this week, when at a meeting held on Wednesday, Aug. 22, a committee was appointed to look over sites and get estimates. Burglars were active on Broadway although they did not succeed in gaining entrance as planned, as they were frightened away in the early morning hours by Officer Cray. Happenings chronicled in the Norwich Morning Bulletin of 1865 are given below:

**Good Templars Installed Officers.**  
Monday, Aug. 22, 1865.—At a meeting of Norwich lodge No. 4, L. O. of Good Templars, held Friday evening, the following officers were installed for the ensuing quarter: W. C. Tracy, W. V. S. Stephen Crane, W. S. Hugh King, W. M. John Gahart, W. G. Christian Dwyer, W. S. Augustus Kingsley, W. Chap. Mrs. J. Case, W. A. S. Sarah Keeler, W. D. M. Louisa Randall, R. H. S. George W. Wetmore, L. H. S. C. C. Corbett, P. W. C. T.

**Visitors in the Pulpit.**  
Owing to the absence of nearly all of our city clergymen on their summer vacations, the pulpit on Sunday, Rev. Professor Huntington of Trinity college, Hartford, preached at Christ church, Rev. M. Gallup of Essex at the Broadway Congregational and Rev. M. Lippitt of the M. E. Free church at the Second Congregational church.

The time for paying the U. S. income tax for 1864 expires today, and the collector notifies all from whom it is due, unless they pay up, that they will have to undergo the legal penalty.

### Reynolds' Stable on Bath Street.

Tuesday, Aug. 22, 1865.—Oliver Reynolds and Co. having removed from the Falls have set up a hack, livery and boarding stable on Bath street, where the best horses in the city can be procured at any hour. P. J. Kenyon unrolled at Breed hall a beautiful painting of a battle scene, depicting a battle of the Civil War, and composed of a panorama of 25,000 square feet of canvas of scenes from the old and new testament. The painting was exhibited at the drawing of the Norwich Light Infantry meet at the Army at 2.30 p. m. Tuesday to be examined by the surgeons of the 1st Connecticut National Guard. Every member should be present as no uniform will be issued save on certificate of the examining surgeon. The drawing was a success and the painting was a success. The drawing was a success and the painting was a success.

### Burglars on Broadway.

Wednesday, Aug. 23, 1865.—About 3 a. m. Tuesday, Officer Cray while following his beat on Broadway, saw a sudden flash of light on the northerly side of Gilbert Osgood's residence. Thinking the occasion peculiar, he waited a moment and the light appeared again. He then went up to investigate the affair. When he reached the corner of the building he discovered a man standing by the side door with a bit in his hand. He at once rushed forward and the fellow ran. At this moment two confederates came out of the shrubbery and attacked the officer, who was caught by the man, and rescued the burglar from his hands. The burglars then retreated towards Franklin street where they succeeded in eluding Major Cray.

### Excursion to Long Island.

The passengers of the steamer Commodore of the Groton line, who were away from the dock in this city Tuesday a. m., about 9 o'clock and had a pleasant voyage to Greenport, L. I., where they stayed about thirty hours.

### The excursion of the Sabbath school.

connected with Dr. Arm's church at Tilly's Point, Tuesday, is reported a success. Provisions were plenty and boats were on hand to favor such as desired with a sail on the river.

### Practice of Hitching Horses.

Thursday, Aug. 24, 1865.—One relic of the dark ages ought to be banished from Norwich, that is the practice of leaving horses hitched along our narrow business streets. On busy days Water street and some parts of Main street are almost impassable for teams, owing to the number of vehicles strung along on either side. Of course accidents often occur and life and property are imperiled. While on the subject of teams it may be proper to suggest that the members of the Pyggy family, who make a practice of hitching their teams to the corners and crossings and compelling people to go around them, often in deep mud, ought to be dealt with.

### Church up at Auction.

The old church in Fogelbank, formerly known as St. James', is to be sold on Saturday at auction together with the grounds. The bell, which is called a superior one, is to be disposed of at the same time.

### The Second National Bank has disappeared.

between these and four millions of United States securities and is now selling seven-thirtieths at subscription rates.

### More of Night Prowlers.

Friday, Aug. 25, 1865.—On Wednesday night the family of C. C. Brand, Esq., were twice disturbed by noises about the house and on each occasion a man was seen running away from the premises. People would do well to keep a sharp lookout for these prowlers or we may have burglaries to chronicle one of these mornings.

### To Erect West Chelsea School.

At a meeting of the West Chelsea school district Wednesday evening the subject of increased school accommodations for that growing part of the city was warmly discussed. Messrs.

All Trolleys Lead To
